

CALL FOR PAPER

Dear sir/madam_____

Faculty of Technology and Business University College "Beder" is pleased to announce the establishment and the issue of The European Journal of Technology and Business (EJTB), a newly launched journal which welcomes the contribution of scholars with papers in the area of technology and business and innovation. The journal aims at the exchange and transfer knowledge on the latest researches, innovations and extended applications via its online and hard copy issue.

EJTB is an international interdisciplinary peer reviewed journal, published twice per year. The main perspective of the journal is to connect the scientists and practitioners from different disciplines in the same journal and make them be aware of the recent advancements in different research fields, thereby providing them with a unique forum to share their experiences in the field of business, technology and innovation for sustainable development. The technology contributions section of the journal includes but is not limited to the research areas of Computing; Computer Sciences, Software Engineering, Web Programming, Database Systems, Networking; Robotics, Electronics, Telecommunications, Mechatronics, Mechanics, System Engineering etc., The business section includes but is not limited to the research areas of Economics, Management, Finance, Marketing and Tourism etc. The section on Innovation for Sustainable Development addresses such topics as Innovation., Future business and challenge ,Dynamic innovation., Sustainable business decisions ,Performance etc.

Authors are welcome to submit their research papers in the journal fulfilling the requisite criteria. From original research papers, survey papers, case studies and academic or scholarly articles to extended versions of previously published papers the journal welcomes the contributions with high quality work that focuses on research, development and application in the aforesaid areas.

The research papers should be original, substantial, and reflect unpublished research that describes work-in-progress systems, framework, standards and evaluation schemes. EJTB does not charge any article processing and submission fee (Payment free journal).

If you would like to discuss your paper prior to submission, or seek advice on the submission process please contact the editorial office at the following address. tabdurrahmani@beder.edu.al
